Scottish Post-Polio Network Privacy and Data Protection Policy - GDPR Opt-In

As always, because of the General Data Protection Regulation, we need your permission to use your contact details. Please read the following and then sign the declaration below. Thank you.

The General Data Protection Regulation, (2018) means you have to opt-in, for us to be able to communicate with you and also store your details. It means YOU are in control. If you decide to stay in touch, we'll be able to keep you up to date with news about membership services and facilities, including the Newsletter etc.

Your details will be kept safe and secure, used only by us, and will not be shared with anyone else.

We may analyse the information you provide in your membership form, in surveys or any other communications, to help us decide what communications will be of interest to you, and to help us understand the concerns and needs of our members - but your personal details will not be disclosed in any of this work.

We also use this information to run our charity's operations, e.g., if you raise an issue or concern, or donate, we'll need your details to process them. If you would like to know more or understand your data protection rights, please email us at scottishpostpolio@gmail.com

Thank you for being a member of SPPN. We're determined to do all we can to campaign for better facilities and services for those suffering from Post-polio Syndrome and the late effects of polio in Scotland.

You're a very important part of that, which is why we'd love for you to opt-in so we can let you know about the campaigning, research, and other support initiatives that we undertake.

Declaration - Please tick yes and sign, otherwise we cannot send you any communications.

1. My name can be passed on to other members of the organisation: Yes No
